ST. MOTHER TERESA

Our Heavenly Patroness

Mother Teresa of Kolkata, our heavenly patroness, is a catholic nun who served the poorest of the poor worldwide. Born on 26 August 1910 in an Albanian family in Skopje (present capital of North Macedonia), from her very early years she was fascinated by the stories of the lives of missionaries and wanted to become one of them in India. By the age of 12 she was convinced that she should commit herself to religious life. In 1928, at the age of 18 she joined the Sisters of Loreto and in 1929 she arrived in India. She taught in a Loreto school at Kolkata for 20 years. Then in 1946 Teresa experienced what she herself described as “the call within the call to leave the convent and help the poor while living among them”. She began her missionary work with the poor in 1948. Clad in a coarse blue bordered white sari, a crucifix pinned at her shoulder, a Bible in hand, with boundless faith and courage, she set about in right earnest serving Jesus in the poorest of the poor.

Her work was appreciated all over the world and was considered a living saint during her life time. The world honoured her with Nobel Prize for Peace in the year 1979. The Catholic Church recognized her saintly virtues and declared her a saint on 4th Sept. 2016. Our School is privileged to have such a great heavenly patroness to inspire us through her love and service for the poor. May St. Mother Teresa our heavenly patroness guide and protect our children and help them in their journey of life.
