

Declaration Regarding the Use of NCERT Textbooks

(As per Point No. 03 – Fee Regulatory Committee)

We hereby declare that our institution strictly follows NCERT textbooks for all core academic subjects from Classes VI to IX, in accordance with the CBSE guidelines. The list of prescribed NCERT textbooks is published and made publicly accessible on our school website.

In subjects or areas where NCERT books are not available, supplementary books from reputed private publishers have been adopted to ensure academic continuity. These books are carefully selected to align with the National Curriculum Framework (NCF) standards.

For Classes Nursery to V, which do not fall under the mandatory NCERT textbook directive, we follow private publications that are fully aligned with NCERT curriculum objectives. The content of these books meets the NCF criteria and is open for public review. These selections are made after thorough deliberation and recommendation from our teaching faculty, focusing on early skill development and moral value integration, in line with CBSE's holistic education vision.
